All of the material will be considered as part of this RFP.
2.8. **LATE SUBMISSION AND MODIFICATIONS OF PROPOSALS.**

2.8.1. Any Proposal received after the exact time specified for receipt will not be considered unless:

   A. it is determined by the University that the late receipt was due solely to mishandling by the University after receipt at the University's Procurement office; or

   B. it is the only Proposal received.

2.8.2. Any modification of a Proposal, except a modification resulting from the Procurement Official’s request for a "best and final" offer, is subject to the same conditions in Section 2.8.1.

2.8.3. Any modification of a Proposal should be prepared on company letterhead, signed by an authorized representative, and state that the new document supersedes or modifies the prior Proposals, and resubmitted to the Procurement Official as required pursuant to this RFP.

2.8.4. A modification resulting from the Procurement Official’s request for a "best and final" offer received after the time and date specified in the request will not be considered unless received before award, and the late receipt is due solely to mishandling by the University.

2.8.5. The only acceptable evidence to establish:

   A. A late modification of an otherwise successful Proposal which makes its terms more favorable to the University may be considered at any time it is received and accepted.

2.9. **WITHDRAWAL OF PROPOSALS.**

Proposals may be withdrawn by written notice to the Procurement Official (emailed to bid@mail.wvu.edu) before the deadline established for receipt of Proposals. If withdrawn in writing, withdrawals must be made on company letterhead and signed by an authorized representative of the Proposer. Proposals may only be withdrawn by the Proposer’s authorized representative, provided the identity of the person requesting withdrawal is established and the person signs a receipt.

2.10. **PROPOSAL EVALUATION.**

2.10.1. **No Public Opening.** Proposals shall not be publicly opened. Upon receipt of Proposals, the Procurement Official will initiate the evaluation and selection process, to include a general review to determine if Proposals comply with the solicitation provisions and contain the required information and submittals. If they do not, the Procurement Official may reject them.

2.10.2. **Selection Committee.** A Selection Committee shall be appointed to evaluate Proposals. Appointments are at the sole discretion of the University.

2.10.3. **Substantiation of Proposals.** The University reserves the right to require each Proposer to substantiate any aspect of the Proposal, its own qualifications for providing the services required, and any other area of interest relative to the Proposal response.

2.10.4. **Evaluation Criteria.** The following evaluation factors, listed by relative order of importance, will be used in determining the best-qualified Proposal:

   A. Qualifications & Experience – 25 Points
   B. Technical Criteria – 40 Points
   C. Cost of Service – 35 Points
2.10.5. **Paring Down Process.** Proposals will be evaluated to determine if they are “Acceptable”, “Potentially Acceptable” (that is, susceptible of being made “Acceptable”), or “Unacceptable”. Proposals evaluated as technically “Unacceptable” shall be rejected, and will receive no further consideration for award. For Proposals determined to be technically “Acceptable” or “Potentially Acceptable” the University may:

A. Proceed directly to award of contract; or

B. Request clarifications and/or require oral presentations, and proceed to award of contract; or

C. Reject Proposals determined to be “Unacceptable”, request clarifications and/or require oral presentations, and/or hold substantive discussions/negotiations with Proposers determined to be within a “competitive range” and request “best and final offers” following discussions/negotiations.

2.10.6. **Competitive Range.** If a competitive range is established, it will consist only of those Proposals that have a reasonable chance of being selected for award.

2.10.7. **Discussions/Negotiations.** If discussions/negotiations occur, they may include both the technical and financial aspects of the Proposals.

2.10.8. **Best and Final Offers.** At the conclusion of any discussions/negotiations, the Procurement Official will set a firm date and time for the submission of best and final offers.

A. If a Proposer chooses not to submit a best and final offer, its initial Proposal, to include financials, shall be evaluated for award.

B. If the University chooses to invoke this option, Proposals would be re-evaluated by incorporating the information requested in the best and final offer. The specific format for the best and final offer would be determined during discussions/negotiations.

C. Turnaround time for responding to a best and final offer(s) request is usually brief (e.g., not more than five (5) business days).

2.10.9. **Final Negotiations of Terms/Conditions with Best Proposer.** Following the selection of the best Proposal, the University and selected Proposer may enter into negotiations to arrive at mutually agreeable terms and conditions. The contents of the selected Proposal may become contractual obligations if a Contract is mutually agreed to, accepted and signed by both parties. Failure of the Proposer to accept or negotiate in good faith these obligations in a Contract may result in rejection of the Proposal. If the University is unable to negotiate a mutually satisfactory contract with the best Proposer, negotiations shall be formally ended with the Proposer and begun with the next best Proposer. Negotiations shall be undertaken in this manner until a mutually satisfactory contract has been negotiated or the solicitation is canceled. The University will demonstrate "good faith" in reaching a mutually acceptable contractual agreement. Notwithstanding this, there are certain conditions that are unacceptable to the University.

Following is a non-exclusive list:

A. Governing law other than the State of West Virginia.

B. Clauses requiring the University to indemnify and hold harmless the successful respondent.
C. Clauses that unduly restrict or place unacceptable claims of ownership on data which are the subject of the agreement/contract.

D. Clauses relating to requiring the University to enter into reimbursement arrangements relative to attorney's fees.

E. Insurance coverage and limits that are different.

2.10.10 Post Selection Review. After a final selection has been made and a contract successfully negotiated, the University may name an apparent successful Proposer. Identification of an apparent successful Proposer is procedural only and creates no right in the named Proposer to award of the Contract. Competing Proposers may be notified in writing of the identity of the apparent successful Proposer.

2.11. AWARD OF CONTRACT.

2.11.1. Basis of Award. The University will award a contract based upon the evaluation of Proposals. The University may award a contract, based solely on initial Proposals. Accordingly, initial Proposals should be submitted on the most favorable terms from both a technical and price standpoint.

2.11.2. Determination of Responsibility. The Contract will be awarded to the responsible Proposer whose Proposal, conforming to the solicitation, will be most advantageous to the University, technical and price factors considered. A responsible Proposer is one who affirmatively demonstrates to the University that it has adequate financial resources and the requisite capacity, capability, and facilities to perform the Contract, has a satisfactory record of performance on other comparable projects, has a satisfactory record of integrity and business ethics, and is otherwise qualified and eligible to receive award under the solicitation and laws or regulations applicable to the procurement. The University reserves the right to investigate the capabilities of Proposers, confirm any part of the information furnished by a Proposer, and require other evidence to determine that the Proposer is responsible.

2.11.3. Rejection of Proposals & Waiver of Minor Informalities/Irregularities. The University reserves the right to reject any or all Proposals in part or in total for any reason, to accept any Proposal if considered best for its interest, and to waive informalities and minor irregularities in Proposals received, commensurate with best public procurement practices.

2.11.4. Notice of Award. Any award of a Contract resulting from this RFP will be made only by written authorization from WVU.

2.11.5. Terms and Conditions. Section 5 outlines the terms and conditions under which the Proposer will agree to perform all work required under this Solicitation. Sample Contract Language. There are certain sections within the sample Contract that are non-negotiable including but not limited to 1) the insurance coverages and limits as detailed, 2) governing law other than the State of West Virginia, 3) clauses requiring the University to indemnify and hold harmless the Contractor, 4) clauses that unduly restrict or place unacceptable claims of ownership on data which are subject of the agreement/contract, and 5) clauses relating to requiring the University to enter into reimbursement arrangements relative to attorney’s fees.

2.11.6. Proposer’s Responsibility for Services Proposed. It is understood and the Proposer hereby agrees it shall be solely responsible for all services they propose, notwithstanding the detail present in the RFP.

2.12. CANCELLATION OF SOLICITATION.
The University may cancel this solicitation before or after receipt of Proposals in accordance with Section 5.26 of the University’s Procurement Rules (see http://procurement.wvu.edu/files/d/82ac3e5b-e630-4020-81cc-841b2f906e9b/procurement-manual-2006-wvu.pdf).

2.13. COMPLAINTS OR PROTESTS.

Complaints or protests associated with this solicitation must be submitted in accordance with Section 7 of the University’s Procurement Rules (see http://procurement.wvu.edu/files/d/82ac3e5b-e630-4020-81cc-841b2f906e9b/procurement-manual-2006-wvu.pdf).
3. **BACKGROUND DISCUSSION.**

3.1. **PURPOSE.**

West Virginia University on behalf of its Board of Governors (hereinafter referred to as “WVU” or “University”) seeks qualified firms with experience in providing prepaid card solutions to replace current paper check or cash advance processes.

3.2. **ABOUT THE UNIVERSITY.**

As a land-grant institution in the 21st century, West Virginia University delivers high-quality education, excels in discovery and innovation, models a culture of diversity and inclusion, promotes health and vitality, and builds a pathway for the exchange of knowledge and opportunity between the state, the nation, and the world.

In 1862, the U.S. Congress passed and President Abraham Lincoln signed the first Land-Grant Act (also known as the Morrill Act for its sponsor, Rep. Justin Morrill of Vermont). On October 3, 1863, the West Virginia Legislature voted to accept a grant of land totaling 150,000 acres from the federal government. Funds from the sale of this land were used to establish WVU in 1867.

The purpose of the Land-Grant Act was “the endowment, support, and maintenance of at least one college where the leading object shall be, without excluding other scientific and classical studies and including military tactics, to teach such branches of learning as are related to agriculture and the mechanic arts, in such manner as the legislatures of the States may respectively prescribe, in order to promote the liberal and practical education of the industrial classes in the several pursuits and professions in life.”

In 1890, the second Morrill Land-Grant Act led to the creation of many of America’s historically black colleges and universities. Today, there are 76 land-grant universities that trace their beginnings back to the 1862 or 1890 Land-Grant Acts. These universities, including WVU, constitute the core membership of the Association of Public and Land-Grant Universities (“APLU”).

WVU is proud of its history as a land-grant university and remains dedicated to its land-grant mission of promoting access to higher education and applying research to meet the needs of West Virginians. The land-grant mission is at the core of WVU’s identity as a university, from the Extension Service and Engineering to Public History and Health Sciences.
