Shared Facilities E-Beam Evaporator  
RFB 90002952K

Addendum No. 001

Date: March 19, 2012

To: ALL BIDDERS

This addendum shall supplement the above Requests for Bids:

**Question:** In the body of the bid, you state the turbo-molecular pump specified is a Pfeiffer brand pump. Since [supplier] also manufactures our own turbo pump..., we would like to know if the intent in the quote is to recommend the Pfeiffer model, or equivalent.

**Answer:** Yes, we will entertain equivalents; per the bid document: Brand names, when identified, include the standard of quality, performance or use desired. *Unless otherwise noted, bids by bidders on equivalents may be considered, provided the bidder furnishes descriptive literature, technical data or actual tests performed to indicate compliance with the minimum specifications. Any alternate equipment must meet the satisfaction of the buyer.* Bidders must clearly indicate any alternate equipment that will be part of their bid.

The RFB due date has not changed. Bids are due on April 11, 2013, no later than 3:00pm

Reminder: Vendor shall acknowledge receipt of each and every addendum on the Bid Form.
